

McMaster

Waterloo

Queen's

A photograph of a large parking lot at Queen's University, filled with cars. In the background, there are university buildings and trees. A semi-transparent dark grey rectangle is overlaid on the center of the image, containing white text. Inside this rectangle, there is a red rounded rectangle containing the amount "\$600,000" in white text, and the words "per month" in white text below it.

Queen's University

\$600,000

per month

we spoke to

350+

managers, students, staff, and parents

we spok

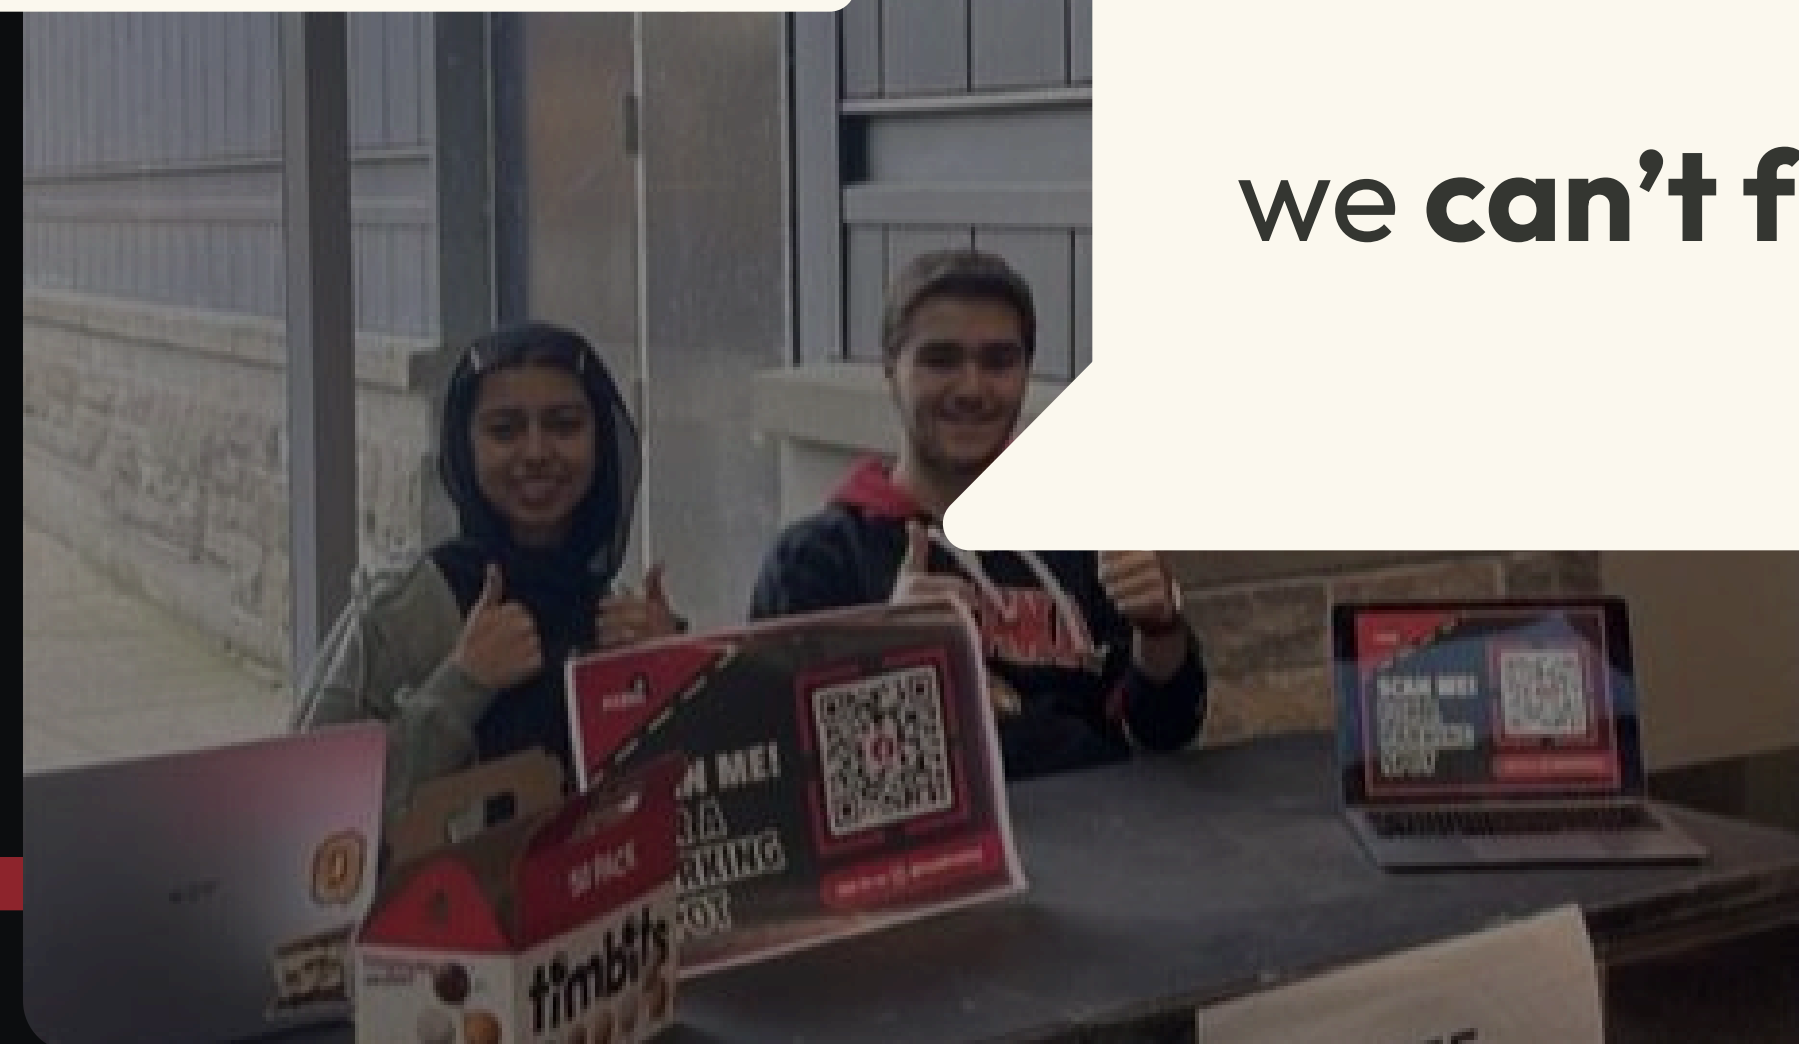

350

there's a **four year waitlist**

I park **without a pass**

dents, staff, and parents

we **can't fill empty spots**

Current Solutions

- outdated & non-functional user interfaces
- non-specialized platforms
- available options are expensive

|||HONK

SPOT HERO

Current Solutions

- limited options targeting campus areas
- requires forming partnerships to list parking spots

1. People looking
for rental parking
are being forced to
choose from
limited, expensive
options.

2. Parking rental platforms offer no support to medium-to-small scale rental providers

1. People looking
for rental parking
are being forced to
choose from
limited, expensive

2. Rental
providers offer no
medium-
rental providers

PARKI

Parki democratizes parking by making it easy for anyone to list or find alternative parking options.
